

Rural Development Workshop

The progress of a country reflects in the development of its rural area. Rural development workshop is an initiative in which the heads of the villages will be made aware of the rural development opportunities which may benefit the people and the village.

Social Talk

Most revolutions are inspired by previous legends.

Social talk will be an event where famous personality from the social work domain will come and share their experience in social works.

Parliamentary Session

Parliamentary session is an event which imitates the working of a parliament.

Discussions will be made on a random topic given to the participants.

Nukkad Natak

A team of dramatists will enact a drama based upon a social issue.

Clothes Pyramid

Clothes pyramid is an event in which clothes collected from the people will be distributed among needy individuals.

Books Tower

The world has advanced to e-learning but still the knowledge inscribed on the paper remains valuable and preserved. Books tower is an event where a stack of books will be set up to ensure the distribution of the books to the people in need.

Social Work Expo

It is an initiative to bridge the gap between the corporates and the NGOs. The NGOs will be presenting their idea of social work which may be adopted by the corporates.

Team madhuram will appreciate your efforts.

Medical Camp

A healthy mind resides in a healthy body. Keeping this in mind, medical camp will be organised to offer free medical check-up to the people of the college and nearby villages.
